

Welcome to Niagara Falls and the EC & C District 2025 Convention

ATTENTION PLG MEMBERS....

Your Niagara Falls Host Convention committee has asked for our help to ensure the plenary session runs smoothly.....consider stepping up for one of these roles on the Saturday;

- ❖ We require 4 PLG members to stand for the prestigious role of 'Sargent-at-Arms'. Successful members are to man the plenary session doors, ensure credentials are in order to either be seated in the delegate section or seated behind the rope. Also, should delegates leave the session before voting, they hand in their ballot and upon their return you give it back to them.
- ❖ The plenary session will have 2 microphones, we require ONE PLG member at each microphone.
